The Police Children's Charity is a registered charity which aims to support Police families by helping to ease the financial pressures of bringing up children in the face of life changing circumstances. These circumstances could involve the death of the Police Donor Parent or their partner or where the Police Donor takes early medical retirement. This applies to both on and off duty incidents or issues

Support the Charity, and together we can help safeguard the future of our Beneficiary children's future.

To be eligible for the Charity's benefits, eligible Police roles must make a donation of 35 pence per week. If you are not currently making a regular donation to The Police Children's Charity and would like to do so, simply complete the details below and the attached direct debit mandate form and return both forms to the address below to process.

Please inform your family that you have decided to contribute to The Police Children's Charity so that they can access support should they require it.

All direct debits will be processed on the 1<sup>st</sup> of the month.
