### Access to Medical Reports

It may be necessary for us to obtain medical reports to support your claim. Before we can ask any doctor that you have consulted to complete a report, we need your permission under the Access to Medical Reports Act 1988. Your rights under the Act are as follows:

- a) You do not have to give your consent, but if you do not we may be unable to proceed.
- b) You can ask to see the report before the doctor returns it to us. If you do, we shall tell the doctor to retain the report for 21 days so that you can arrange to see it. If you have not made arrangements to see the report within this time, your doctor will send the report to us.
- c) If you choose not to see the report at this stage, you may ask the doctor for a copy within 6 months of it being sent to us. A duplicate report can be sent to your doctor on request should you wish to see it at a later date.
- d) If you consider any aspect of the report to be incorrect or misleading, you may ask the doctor to amend it. If your doctor refuses to make the amendments, you may ask them to attach a statement outlining your views, which will then accompany the report.
- e) Your doctor can withhold access to the report if they feel that it would cause physical or mental harm to you or others.
- f) Your medical report will contain details of relevant consultations, treatment, operations, investigations and test results that you have undergone at any surgery, hospital or clinic. Your consent will give Risk Assurance Management Limited access to this information.

If you have any questions regarding your rights under the Act or any questions relating to the process of obtaining, assessing or storing medical information, please write to the Compliance Officer at our Head Office.
