Ministry of Defence Police Annual Pay Award 2022 - Effective from 1st September 2022

The DPF are pleased to inform you that the Department has agreed to implement this year's pay award, which will be 95% of £1900, which is £1805 per officer, as per our current agreement. This will take effect from 1st September 2022 and DBS have been instructed to implement as soon as practicable.

Unfortunately, the Department has not agreed the recommended uplift in London Weighting and Dog Handler's allowance. These allowances are not covered by the established contractual relativity in which MDP pay is set at 95% of Home Office Police Force pay, and with the current financial restraints are deemed unaffordable.

The DPF have returned to the Department asking them to reconsider the payment of the two allowances.
