**Ministry of Defence Police Annual Pay Award 2023/24**

The Home Office have announced today that this year's pay award for Police Officers will be a 7% uplift in basic salary across all ranks.

We will obviously need to approach the Department to have this implemented but will do so quickly.

This is a positive move, albeit it does not take account of the real terms 17% pay cut since 2000 in Police Officers pay.

We will of course keep you updated on the progress of this, as it moves forward.
