

We warmly invite you to

A Community Celebration of Gratitude & Remembrance

TUNDERGARTH PARISH CHURCH

Saturday 21 December 2024

1:00 PM

In commemoration of our unique bond,
we will pay tribute through uplifting performances and verse

In honour of the exemplary, selfless and compassionate efforts of the
survivors and townspeople of Lockerbie

In gratitude for the heroic response by thousands of first responders
and volunteers who demonstrated tireless commitment and humanity

In memory of the 270 souls lost in the air and on the ground
with the bombing of Pan Am 103 over Lockerbie on 21 December 1988

GUESTS ARE ASKED TO ARRIVE BETWEEN 12:30 PM and 1:00 PM

This event will include a "Wall of Honour" display featuring the official coats of arms of all the responder organisations who dealt with the aftermath of the attack. First responders are invited to add an item to the display which represents their organisation. This could be a shield plaque, flag, or other insignia that will form a collective tangible representation of what was a historic and unparalleled multi-agency operation. Ultimately this will become a permanent exhibition to honour responders' extraordinary service in the upcoming Pan Am 103 Lockerbie Heritage Museum within the Tundergarth Kirk ruins.
